Customer Reviews

This study guide is an excellent study resource. The explanation for each answer and question was an additional study resource. Each section provides a summary of information specific to the category. This feature provides a summarized section of the information that is used in the test questions for that category.

I was hoping for something different. This booklet is like the rest.

I love the fact that the material is broken down according to area of concentrations as well as the questions. This will help to focus on the areas where you are the weakest.

The book is very well written. Great company that cares about customer relations and their product!

I read the entire guide and felt it was very helpful from beginning to end.

Great descriptive outline with applicable questions and explanations.

It covers a vast amount of information. It is very detailed

I hope I pass the exam!
