Chris Doyle, a resident of Grenada, is a full time cruising guide author and spends over 6-months of the year sailing through the Caribbean, updating his books. He built his sailing survey catamaran Ti Kanot in Trinidad, storing Ti Kanot at Power Boats in Chaguaramas when he travels abroad. He has been writing cruising guides since 1980 and in every area he covers, his books have become the best selling cruising guides.

This particular copy of "Leeward Island Anchorages" was from 2002.....A lot has changed in the Leewards since then.....it is helpful however..the photos with directions are of great help in entering and exiting the various anchorages in the book.....

We have used another title in the series and found it very useful. The photos show not only the areas in question but also the approaches. We use this guide in conjunction with charts because nothing says it easier than a picture! Highly recommended but remember to use charts also.
