Ford: 7 Brides For 7 Soldiers Book 7

Synopsis

Fall in love with seven sexy and irresistible soldiers who find their courage and heart tested like never before in the battle for love! This multi-author collaborative series of contemporary romance novels is brought to you by bestselling authors Barbara Freethy, Roxanne St. Claire, Christie Ridgway, Lynn Raye Harris, Julia London, Cristin Harber and Samantha Chase. You won't want to miss a single one! FORDThere are three things Ford Garrison wants more than anything: to build, to report to no one, and the chance to live his life without the prying eyes of the good folks of Eagleâ's Ridge. Having spent ten years in the Navy as part of their construction battalion, he was able to live out most of that dream. Two out three wasnâ't bad, right? Now that heâ's out of the service, things arenâ't falling into place quite as easily as he hoped and he ends up back home with all eyes on him. It wasnâ't as if Callie had gone out of her way to end up in Fordâ's path, but somehow that happened all on its own and the town gossips were having a field day! Could she help it that she was living in the house Ford had hoped to claim as his own or that the work on his grandmotherâ's ranch meant they were living not fifty-feet away from each other? Ford was determined to come home, do a job to help his grandmother and leave. Callie James is a distraction and she represents everything he has spent years running away from. Now heâ's at odds with his friends, his family and himself about where his home and future are going to be. Could he walk away from Eagleâ's Ridge a second time?Don't miss any of the sexy soldiers!
