Fun Stuff Cupcakes

Synopsis

More than just a simple snack, cupcakes can be dressed up to create a deliciously elegant dessert or can be magically transformed into a playful party animal. Whether you prefer fish or frogs, princesses or pandas, rocky road or raspberry streusel, Fun Stuff Cupcakes has the perfect cupcake for every occasion. Now you can indulge your passion for cupcakes with easy recipes that will make you the hit of every bake sale, backyard barbecue, or birthday bash. And you won't need to spend all day in the kitchen more than half of the recipes in Fun Stuff Cupcakes start with cake mix and prepared frosting so that they can be whipped up in minutes. Simple candies and decorations take them from ordinary to unforgettable. Each recipe in this handy hardcover cookbook includes simple directions, plus a full-page color photo of the finished product. If you're crazy for cupcakes, this is the book for you. Here are just some of the whimsical cupcake recipes you'll discover: Cookie in a Cupcake Sunny Side Upcakes Black Bottom Cupcakes Cupcake Ornaments Funny Bunnies

Best Sellers Rank: #74,268 in Books (See Top 100 in Books) #54 in Books > Cookbooks, Food & Wine > Baking > Cakes #191 in Books > Cookbooks, Food & Wine > Desserts

Customer Reviews

Ordered it for my students!

This book has helped me to create great cupcakes for class parties, holidays and birthday parties. Easy and fun. My 9 year old daughter has fun creating them with her friends at sleep overs too.

Gave it to a co-worker for her kids, she loved it.

I bought this book for my daughter-in-law for X-Mas and she was totally thrilled. An avid baker of cupcakes for her kindergarten class, she was extremely happy. Would totally recommend this to any baker with lots of kids!!!!

I am a huge fan on making crazy design cupcakes, but this book only had a handful of super cool ones. A bit disappointed. But will def use the ones that I did find interesting.

For ideas it this book was very good, but the cake recipes did not work well for me. I baked the Cupcake Sliders for a church bake sale. The flavor was nothing special-bland in fact- and when I went to cut them to create the sliders the cakes fell apart . I ended up making something entirely different for the sale.

I really love this book. It's for use with the kids and for adults. The explanation of each cupcake is easy and offer ideas if you want to make something different. I recommended this book for all parents that need to keep the kids in action. The book is new and arrived at time. Thanks to , they are the best.

My 8 year old daughter is so excited about this she brought it to school and planned a playdate on baking the cute goodies from this cookbook.
