The Best Riddles In The World

Synopsis

As a teacher, I am constantly looking for fun ways to challenge my students to learn. I want to engage them in educational activities in which they can play together and use their critical thinking skills to solve problems. It was the inspiration behind this collection of over 100 of the best riddles. In order to make the activity fun and challenging for all levels, I have provided clues for every riddle. Whether you are eight or eighty years old, playing by yourself or with friends and family, I know that you will have many hours of fun solving them. Please also check out the newly released *The Best Riddles in the World Volume 2* with clever riddles that are like vitamins for your brain. Get both copies now and double the fun.

George Tam is a teacher and an avid photographer.

This book was full of interesting riddles and even helpful hints to assist in guessing. I would have given it a higher rating, but there wasn't as much content as I would have liked. Wish this book had double the riddles.

I am a substitute teacher and I keep this in my bag of tricks! Kids love the riddles.

Grandson loves the jokes and the hints are nice for him to help us elders get the jokes. A good purchase.

grandson keeps me on my toes

Took this book on a 10 hour road trip with a car full of middle school girls (6 of them!) They took turns reading the riddles out loud to each other and (as of this writing) will still bring them up when they get together three weeks later. Very appropriate, never vulgar jokes. Just tough enough that the girls had to think hard to come up with the answers. Very witty, not impossible jokes. Outstanding value for the money.

Just what I wanted!

Great for grandchildren. Absolutely GREAT ! Sometimes even good for adults... after dinner :)

Best collection of riddles in a nice layout for kids
