# If I Believe (A Promises Of God Novel Book 2)

## Synopsis

Sometimes the biggest risk is daring to hope. Cinda Ellis doesn't dare to dream. Life has dealt too many blows, and she's come to expect disappointment. But then a lifelong dream is realized—meeting her dad—and Cinda's life is finally turning . . . until reality crashes in once again. On the verge of despair, Cinda finds connection with a group of women from Living Hope Church—and an unlikely connection with one of Hollywood's hottest stars. Her life just might be turning again. But will she only suffer disappointment once more?

Alonzo Coles is living the life of his dreams. On the heels of his first Academy Award nomination, people are already buzzing about his next film. But his choices—from his career to his exploits with women—are starting to bother him. And he's reminded of a connection he'd made to Jesus. His quest for answers about who he is and what he's called to do leads him to the pastor of Living Hope Church . . . and a woman unlike any he's encountered. Treva Alexander is embracing her new season. A widow turned newlywed, she's enjoying new love in a new city, in her new role as pastor's wife. But she's suddenly challenged when God begins to shake things up. What will she do when her faith is tested like never before?

Faith Langston is on hiatus from life. An unexpected pregnancy has made her a new mom at twenty. Now, instead of doing big things for God as she'd hoped—or at least working toward her degree—she's sidelined at home. And though she'd thought she and the baby's father would rekindle a relationship, she now wonders if she's even on his mind—or on God's mind. Has she forfeited the plans He had for her?

“Tate has an amazing gift for getting to the heart and soul of what readers need to hear.” —Romantic Times (Though I Stumble)

## Customer Reviews

What can I say about this amazing book. I am so glad I pushed it up further in my to be read pile. It was such a phenomenal story, and I didn't realize it had a Cinderella theme throughout the story, but I'm glad it was especially for brown girls who don't have enough examples of that. There were also a lot of spiritual themes throughout the story, and I shed several tears while reading this story. It was truly God inspired, and I can't wait to see what the author comes up with in the next book.

I don't know where to start with my review w/out giving the book away or repeating what other reviewers already said. So I will say this when things are challenging in your life or the life of a loved one just think about the mountains you can move, the clarity you could have and the peace of mind which surpasses all understanding if you believe. Our faith will always be challenged one way or another, our weakness allows His strength

God gives us a condition to the promise, then He strengthens and helps us by the power of the Holy Spirit to meet the condition so He can fulfill the promise to us. We are set up for success always. We cannot fail in God! We what a mighty God we serve. Thank you Kim for the wonderful and enriching bible study that even overshadowed the Cinderella theme. May God continue enlarging your territory in Jesus' name.

I enjoyed "If I Believe". I struggled to get into the book because it has so many characters but once I got into it, I could not put the book down. I enjoyed the different story lines in the book and how God's promises were fulfilled with Treva, Faith and Cinda. I also enjoyed the play on the Cinderella story with Cinda! This was a good and clean Christian story that I have no problem recommending! Bravo Ms Tate!

I am such a fan. I absolutely love how Kim Cash Tate intertwines scripture and friendships and love with all the characters. I'm always in awe of her incredible gift of writing. This book does remind us that happily ever after is possible with Christ Jesus. I hated for the book to end and I'll be waiting on pins and needles for the next masterpiece. Kudos!!!

God's promises are available if we do our part to receive them. Kim Cash Tate wove a wonderful tapestry of stories about God using life situations to bring us to Him, so He can fulfill His promise to us. Loved catching up with the characters from *Though I Stumble* and meeting new ones. Great read.

Don't wait, buy the book! This series should be made into a movie, seriously. I enjoy how this author puts you in the room of every scene. No lie, some scenes were a touch too long. However, I liked the character development. The man gotta love you, holes in your sock and all! LOL!

Excellent read, I enjoyed the storyline and the characters. Lance and Trevia are inspiring. I loved Alonzo and Cinda together. Reggie and Faith made a great couple as well. I really liked Randall he will be missed. I recommend this book.
