A great way to keep your mind sharp

Nice book.

great gift item

I buy these for my elderly father. He's physically limited as to what he can do but he keeps his mind sharp with these books and it helps him pass the time.

My wife loves these. Let's just say she may be addicted to them. If she has a spare moment her nose is in this word find. I would recommend this seller as well as this product to anyone that likes the word find puzzle.

Good puzzle book.

Just a little too big for me.
