Book by Fielder, John

This is such a beautiful book! I love all the pictures of the changing colors of Colorado in the fall. Now I definitely want to take an autumn trip to Colorado or even move there someday. Aspen trees really change colors in the fall. This book will give you plenty of ideas on places to see in Colorado during the fall where the leaves change colors.

A John Fielder fan so a must have ,contains lots of great photographs of Colorado fall and places to see.

This book was very good. It has beautiful pictures with amazing color!
