It's no coincidence that Dessi rhymes with "messy." Her life is full of beautiful messes.

Dessi Jackson has 6 beautiful children and every day is filled with books, toys, food, pets, chickens, gardening, and of course, family. To anyone else, it might look like a mess, but to her it is a beautiful mess. Dessi is a 31-year old immigrant from Bulgaria, and now lives in the countryside of Maryland.

Mrs. Jackson has written a delightful and lovely little book about Saint Modomnoc and his bees. I had just gotten the book in the mail, and 5 of my 14 grandchildren came over that evening. They LOVED the book. I can't wait to share it with the rest of my grandchildren. The text is written in a way that is perfectly suited for children while being interesting to the adults that read it to them as well. I hope Mrs. Jackson will write more books about saints for children.

Bought this book to read to our sons. There's a dearth of Orthodox Christian books out there for children, but happened upon this, and we love it! Great story, great illustrations! Has become an evening favorite of my 4 yo, and 1.5yo, along with The Queen and the Cats: A Story of St. Helena

(Paperback), Dessa Jackson, author.

As other reviewers have mentioned, the outfits in this book are Orthodox on someone who wasn't, but no matter. The kids love St. Modomnoc. Any story about saints and animals is an instant favorite around here. They love that the bees follow him on boats.

This book is amazing!! It's the perfect length of story for a child to sit through (and for me to have to read repeatedly). It's such a fun whimsical story about an obscure saint. I love the illustrations and the words with which the author tells the story. I hope this author comes out with more books!!

beautiful story that weaves a story of faith and love for God along with a charming story. My kids ages two and half, four and six all enjoyed it. I also enjoyed reading it. Highly recommend!

My first grader and I read this as a bedtime story. It was well written and entertaining as well as educational. We are definitely keeping this one to read to the younger children when they get past board books.

Great book

This is a really cute story of an Irish saint who went to Wales to study and the bees that decided they had to follow him everywhere. If you are looking to read your child a story about a saint you may not have heard of, or just looking for another book for that little assistant beekeeper this is definitely one to check out.
