Freestyle (Sports Beats Book 4)

Synopsis

Kyle has had a lot of bad luck, but his latest freak accident seems to have changed all that. He doesn't know how he did an inverted aerial ski jump, or even really what that is, but suddenly, he's very popular. His new friends want him to jump again. Will he get lucky and survive one more time?

Freestyle is one of five high interest quick reading stories in the Sports Beats series. These fiction books weave characters' real-life issues around the sports they play; basketball, baseball, tennis, skiing, and soccer.
