# Parenting Beyond Your Capacity: How To Develop Your Child Socially

## Synopsis

Does your child struggle to make friends and connections with others? Are you looking for ways to assist your child in making friends? Believe it or not, it is not uncommon at all for children to struggle when it comes to making connections with others. Social anxiety is growing in this day in age because of all of the technology. Children are becoming dependent on hiding behind a screen and a keyboard. Getting them out from behind the keyboard is critical to assisting them in making connections. What you'll learn inside:- What social anxiety is- Why children are struggling to make connections- How people used to make connections- Tips and tricks to getting your children to be more like a social butterfly- And much, MUCH more! So what are you waiting for? Scroll up and BUY NOW!

## Customer Reviews

I didn't find this book helpful. More annoying with the miss-spellings & awkward sentences. No structure at all & information is mostly just common sense....

This book didn't even make sense. The sentence structure wasn't coherent. There was no substance. It seemed more like a poorly written pamphlet than a book on parenting. Save your money and time.
