Viking (A Real Man, 9)

Synopsis

She'll be his greatest conquest. INGRID I should have been afraid of him, the brutal man with the violence covering him and blood on his face. But he'd saved me from a fate worse than death. He was a Viking, a man who took what he wanted because he could, because no one dared to cross him, to go against him. And he claimed me. I was his now, and I didn't want to fight that. GUNNAR From the moment I saw Ingrid I knew I wanted her as mine, as my wife, the future mother of my children. I'll go to any lengths to keep her by my side, to make her see I'm not letting her go. I may give her the option to leave, to find her own way, but the truth is I would follow her to the ends of the earth to keep her close. I'm a Viking, a savage, dangerous and violent. I don't give up when I see something I want. I've been searching for Ingrid my whole life; I just didn't realize it until I looked into her blue eyes. She will be mine. No matter what. Warning: Hope you like your men filthy, brutal, and willing to slay for the woman he's claimed, because in this story you're getting it all and then some. It's dirty, totally unbelievable, and probably holds no real historical facts, but it's fun and hot and hits the right spot. It is what it is, so hang on and enjoy the ride.

Customer Reviews

Cute, short, HOT. Though, dialogue/narrative completely doesn't fit the time period. I can live without 'manroots,' 'throbbing members' and a slew of other old-fashioned words, so it wasn't so bad. Characterization didn't make a lick of sense (virgin in the medieval ages knowing too much about sex and lust) but it was short, sweet, and dirty. It wasn't supposed to be more than that and the author even states that in the beginning.

Gunner and Ingrid was a little bit different type of story that involved Viking warrior instantaneous falling for the last he rescued. The sex scene was drawn out. Overall an okay read.

I so enjoyed and loved this one. The vikings are so hot and sexy to begin with and throw in saving the damsel is just the sprinkle topping on the cake. Gunner is so so so hot, treats Ingrid as a princess and would follow her to anywhere, if she chose to leave. I absolutely loved the story and being taken to the Viking pillaging era.

Kinda sexist but I guess that's the point right? :/

As much as I love this series, Viking was my least favorite book, but still earned a solid 4
ÃfÃ Å“Ã Â“. A ancient Viking, Gunnar, is an original hot, sexy, alpha male who takes what he wants, but cherishes his mate. These book are fast, sexy, fun reads. I cannot wait for the next!!!

Hood short read

Just what I bargained for: short, involving, and sexy. A wonderful read for a night alone.

For a short, smutty read this was almost too sweet. Gunnar laid claim to Ingrid from the very first look. Instead of being cold and dominating, like you would expect from a Viking, he was very protective and all about her care and comfort. You saw hints of his dominant behavior in his thoughts but he never really had to follow through since Ingrid was all for being captured by Gunnar.

I certainly don't blame her. It's very short so you don't get a lot of story, but there's enough to give you that romantic fix.
