Not For Tourists (NFT) released their first book, a guide to Manhattan, in May of 2000. Today, NFT produces eleven books each year, working closely with city and neighborhood editors in Atlanta, Boston, Brooklyn, Chicago, London, Los Angeles, New York, Philadelphia, San Francisco, Seattle, and Washington DC. Their offices are in New York City.

The best pocket guide for visiting New York. It literally fits in a shirt pocket. Chock full of useful and practical information for anyone visiting a city that has so much to offer. Of course, if one is a first time or an infrequent visitor, one may need to supplement this guide with a more traditional one that includes more descriptive text, ratings and such. But even for such persons NFT will prove to be useful once on the go in your visit, if one does not want to be burdened with a bulky book. NFT guide is easier than using your mobile for finding facts quickly.

I bought this as a gift for someone that moved to NYC. He loved it and thought it was very helpful. Then, I found myself borrowing it when I went to visit him. Sure, you can find a ton of information online, but sometimes it is nice to be able to hold something in your hands. This fits the bill and it is small enough to carry easily.

I loveD the nft guides, previously used Manhattan & Brooklyn ones; and now thought i'd get both boroughs in this book when buying it for my guests from Europe; ALAS, of all areas Bed-Stuy, where i live, is not covered. between 2 and 3 stars.

Very informative.

May have liked it better if I had the book and not Kindle version.

Perfect for a NYer who wants to hit non touristy spots/great underground finds!

Good information and handy pocket size

Great information in a compact format. Will definitely put it in my pocket while walking around the city.
