Book by Josephson, Judith Pinkerton

In this beautifully crafted and poetic biography, *Walt Disney, Genius of Entertainment*, Judith Josephson gives the reader a complete portrait of a complex, creative man. Using clear lyrical language and many anecdotes, Josephson presents Walt Disney, his struggles, accomplishments and his dreams in an entertaining manner. The biography covers Disney's childhood, marriage, career and family life. The color illustrations and pullout quotes fully support the text. Disneyland is a place where people of all races, religions and ages come together and for a few hours forget their troubles and feel optimistic about life. In this book as the reader learns about Disney's creative struggles and his drive, they too will be encouraged to pursue their dreams. Mr. Disney, the father of everyone's favorite cartoon, Mickey Mouse, is an American Icon. And Josephson's biography is a book that readers young and old will learn from and enjoy. I highly recommend this book.
