The Pocket Rumi (Shambhala Pocket Classics)

Synopsis

The cry of the soul in love with God has never been more eloquently expressed than by the great Persian Sufi master Jalaluddin Rumi (1207–1273). Readers have thrilled to his ecstatic songs of divine union for more than eight hundred years. Now, here is a collection of the best of Rumi's poetry in an edition small enough to carry with you wherever you go.

Customer Reviews

Jalaluddin Rumi (1207–1273) was not only a poet, mystic, and the founder of a Sufi order, he was a man of profound insight into the nature of human existence and possibly the greatest mystical poet of any age.

When my black Lab died, I went to the Agape book store looking for anything that might help get me through the day. I randomly picked up this little book and randomly opened it to page 84. I have read that poem over and over again, and have read it to help others who were grieving for whatever reason. I recently sent a copy to a friend and she read me a poem from it that I hadn't read before. This book is a little jewel.

Great product and delivery!

if you're feeling like you need just a little hit of spirituality, this is the perfect book to put in your purse

or keep in your desk. The book takes selections from Rumi's writing across his lifespan, so it's interesting to see the style and subject matter evolve.

Love!

Get for reading while waiting I Doctor overeat.

There are many books with Rumi verses, but this one was printed on paper that is likely to last a lot of readings and a lot of time.

Trying to get my head wrapped around this prosaic work. About every 3rd one really speaks to me...isn't that enough?

A lovely little book, and what can beat Rumi? Nothing.
