I wish there were more of these kinds of books for different cities - this got us through a long weekend trip in Atlanta and it was so nice to have addresses and up to date phone numbers, excellent descriptions, and to have a whole book that was geared for a kid centric trip was great.

With summer here, it's great to have so many ideas on keeping the kids entertained in Atlanta. This is a fun, practical guide for parents with all kinds of helpful info like kid-friendly food near every attraction. No other travel guide has so many cool, off-the-beaten-path attractions specifically aimed toward parents and kids.
