Item out dated but still useful

This is the kind of read that I enjoy. It provides all of the information your looking for, on all of the topics you want, in a short a concise manner. Awesome links to exactly what you would hope to be directed to as well. Great book!

This is the handiest travel Guide ever. I downloaded it to my iPhone and am able to carry it with me as a reference. Very clear and concise suggestions. Lots of ideas for military families to explore and make the best of their travels. If you are military, and are traveling, you need to read this book!

Older edition than I anticipated.

I am a avid traveler, which I typically attempt to find the absolute best deals. I found this guide to be extremely useful and enjoyed the sections of military campgrounds and overseas discounts.

Wasn't what I expected. Was looking for the listings of vacation lodging and resorts for Military and the rates. This a very useful booklet, but not the one i was looking for.

nice to read

Great resource for finding deals all around the country. Very useful!
