Dani Kates, is a New York based illustrator and designer. Her talents for art & design together with her passion for color and playfully silly personality all contribute to her success as both an illustrator and as a designer. Long before adult-coloring books were introduced to the world, Dani was turning store-bought children's coloring books into adult-coloring books for her own enjoyment. She would buy a simple coloring book and fill the pages with fine lines and details with a thin black marker. A plain dress would become intricately patterned and adorned with ruffles and buttons before it was ready to be colored and a puppy's fur would be filled bows and stripes. After some 15 years of doing this to every coloring book she bought for herself, she decided to start

creating her own coloring books that other people could enjoy too! The moment you open any Dani Kates coloring book, you can immediately see the incredible attention to detail and effort that she puts into each page she designs and you can feel the energy and passion that she puts into her work. Dani has designed and created artwork for Girl Scouts, Tootsie Roll, Nestle, and 'Sugar, as well as for KanDi Jewelry, her own line of candy-themed accessories for girls.

This book sure has my name written all over it!!!! Best genre ever- I miss those days. Thank you for bringing back so many memories - drawings are amazing!!!

This book is like totally rad! Love the pictures! Can't wait to start coloring them!

I really enjoy this coloring book because I like learning about the 80s. I like the merchandise from that era. It is different from today's. I also enjoy coloring. In addition, I'm an artist myself and I can get ideas about things I can draw.

I LOVE this coloring book! I received it as a gift for my 40th birthday. This book (for me) captures what the 80's were about. Can't wait to start coloring!

I love this coloring book. The illustrations are amazing
