Pass The Bar!

Synopsis

Pass the Bar! provides a comprehensive overview of the pre-bar review, bar review, and bar exam process. The authors demystify the bar exam process and take readers through the steps they need to follow to succeed. Readers are given specific information about what to do during the year before their bar exams; checklists, exercises, and reflection questions; tips for studying and completing practice questions; and sample exam questions and answers to maximize their likelihood of bar exam success. The book has been designed with several uses in mind: As the text for a for-credit law school bar preparation course; As a supplemental text for an upper-level doctrinal course, allowing professors to build students' bar study skills in the context of learning a bar-tested subject; As a text for non-credit bar preparation workshops; or For students' independent study. The authors' recommendations are grounded in educational and psychological research as well as their personal experiences in designing programs and preparing thousands of students to pass their bar exams. Readers will find the text user-friendly and its recommendations straightforward and practical.

Michael Hunter Schwartz is a Professor of Law and the Dean of the University of Arkansas at Little Rock Bowen School of Law.

Very helpful for explaining the strategic part of the MBE.

Has practical Bar prep information. I appreciate the portion about getting your family ready.

It is a good book for the exam approach in general (I read it last week), but there is nothing new or useful to me. It might be better for first or second time examinees. My next attempt is 2.12.

Great writing for bar examiners. Highly recommended to last semester Law Students.

I was recommended this book as well by someone who passed the bar. Thanks for the quick delivery. I have already read this once will read again I am sure.

Good overview, but not enough detail. I prefer the Strategies books by Emmanuel because they are very detailed and question specific.

It has a lot of checklist if you have a hard time being organized but if you are the typical type A law student this will not be very useful for you.

Waste of money.
