## Customer Reviews

I love chocolate desserts and sweets in general. So when I started the paleo diet, I thought I'd have to give up chocolate forever. But this chocolate truffle cake is to die for.

It's so rich and creamy and I thought I'd never stop eating it. There's even a brownie recipe with coconut flour! I think coconut flour adds such a richness to recipes and this book is no exception. Every single recipe I've tried has been amazing and I can't wait to try the rest. This one's a gem

This book is perfect, it even has a paleo buttercream frosting recipe! I love that most of the recipes use coconut milk, as I have seen many books claiming to have paleo desserts that have all kinds of processed ingredients, thankfully, this is not one of them. I love all of the recipes that I've tried so far and I can't wait to try the rest! I have to admit, when I thought of chocolate zucchini bread, I was really concerned and didn't think it would be that good. Out of curiosity, I tried it and it's amazing! This one's a must have
