I am having a hard time putting this Workbook down! I've read the section in the UB on the Life of Jesus and found it to be mesmerizing. But this Workbook is organized in a thematic approach with short, two to five paragraphs on a given topic from the Life of Jesus. The book also references the New Testament as it describes, in the wonderful Urantia Book style, the time and place that Jesus may have said something to His disciples or when He gave a parable to people curious about His teachings. The workbook is divided into four main parts: The Sayings of Jesus; The Miracles; The Parables; and The Sermons of Jesus. At the end of the book there is a Comparison of the Life of

Jesus with the Four Gospels.

EXCELLENT synopsis of all of Jesus' sayings, sermons, miracles and parables in one volume.

The Urantia book is... Unusual. These workbook will give you a deeper understanding of it if that is what your looking for.

Definitely will help guide you and deepen your understanding of the Urantia book's principles. I find the Jesus papers to be the most interesting, and the workbook helps you discover things you don't get from simply reading and studying the text. A must for a Urantia student.
