# So Much S'more To Do: Over 50 Variations Of The Campfire Classic

## Synopsis

S'MORES are as much a part of camping as tents and sleeping bags, but have you ever wondered how to make this tasty treat even better? Becky Rasmussen provides the answer with 55 simple twists—from holiday recipes to "spirited"—that will have you begging for s'more! Try delectable desserts like Brownie S'MORES, Peanut Butter & Banana S'MORES, and Tiramisu S'MORES. As added bonuses, the book includes a marshmallow toasting guide, safety tips, clean-up tips, and more. Plus, its handy size makes it convenient to bring along on your next outing!

## Customer Reviews

Becky Rasmussen was born and raised in rural Minnesota and is a graduate of the University of Wisconsin-Eau Claire. She has spent most of her life involved in outdoor activities, such as hunting, fishing, boating, camping, and traveling. She enjoys cooking for her friends and family, both in the kitchen and around the campfire. As a camp counselor and seasonal park employee she has spent many years helping adults and children learn to enjoy and explore the outdoors.

I bought this cute little book as a gift for my son-in-law, an accomplished cook who enjoys surprising his friends (especially when on camping trips) with gourmet fare. He remarked on how creative the recipes were and has tried a few already. He and my daughter intend to set up a "gourmet s'mores

bar" during their next camping trip. They can also use the recipes for s'mores over their back yard fire pit or grill. I packaged this with a set of reusable marshmallow roasting sticks for a unique birthday gift.

I love this little book. Even if I never actually planned to use the "recipes" the book fun to peruse. Each s'mores variation is simply written, with ingredients, prep work, and "building instructions" included. The book even provides a humorous toasting guide, for those who need directions on how to toast a marshmallow. Kids will love all these sweet new ways to build a s'more. A few gotta-tries are Marshmallow-a-Holic S'mores, involving marshmallow creme, Spring S'mores, involving Peeps, and Halloween S'mores involving, you guessed it, candy corn. There are even recipes for Adult s'mores included. These use booze flavored vanilla frosting instead of a chocolate bar. Or how about one with limoncello and cream cheese? For a celebratory occasion: Strawberry Cream Cheese and Champagne S'mores. (The champagne is served on the side.) Also included: Alternative Heat Sources and a section for you to add your own recipes, using the book's format. This book would make a fun gift basket along with skewers having humorous handles, the three basic ingredients, and another couple of ingredients to build the s'mores.

Yes, the book is tiny! But, it's a cute little book with some tasty ideas! Great for someone like me who has little imagination when it comes to food! I look forward to trying out a couple of the ideas on my upcoming camping trip.

This was a really cute book to accompany a firepit that i gave as a gift! Some creative ideas inside to branch out from your regular s'mores!

Cute little book. Lots of creative flavorful recipes for your smores adventures. Can't wait to try a bunch of them.

Excited. Planning on inviting the grands and using this with my new S'MORES hardware and new Fire Pit. Was waiting on cool weather and some is arriving.

I bought this as a gift and my friend really liked it. She found it 'cute' to have. She said that she didn't see anything that was 'out of this world different,' but it was a fun book to reference when making s'mores and want variety! It's a great stocking stuffer!

arrived just as expected
