Customer Reviews

I originally bought this book at the restaurant but after redoing the kitchen, I can't find it anywhere. Although there are some good recipes, the Banana Bread recipe is the best there is. I've since tried other recipes and none have come close. I bought this again just for that recipe!

I loved this. It reflects the old world, tried and true Amish recipes that we all love and although there aren't any colored pictures, that just makes a person envision the ingredients more and what can be created using them. I recommend this to anyone who collects cookbooks as I do and loves Amish recipes.

Good recipes but sometimes have to adjust amounts so I can feed my small family. Recipes most of the time have ingredients I have on hand and do not have to make a trip to the grocery store.

Received in excellent condition better than expected for used.

I enjoy good old fashioned cooking and this is a good cookbook to get started with.

Really good

Lost this recipe book years ago, so I was very excited to see it for sale. Love all the great recipes in this book! Great transaction and shipping time.

Wife loves it!
