Vanity Fair's Proust Questionnaire: 101 Luminaries Ponder Love, Death, Happiness, And The Meaning Of Life

Synopsis

An intimate look into the inner lives of our most prominent cultural figures—pulled from the celebrated Proust Questionnaire page in Vanity Fair magazine. The probing set of questions originated as a 19th-century parlor game popularized by contemporaries of Marcel Proust, the French essayist and novelist, who believed that an individual's answers reveal his true nature. Illustrated by Risko, Vanity Fair's Proust Questionnaire Edited by Graydon Carter and Illustrated by Risko, brings together the responses of 101 of the most vibrant personalities of our time, from Bette Midler and Lauren Bacall to Salman Rushdie and Norman Mailer, from Martin Scorsese and Shirley MacLaine to Aretha Franklin and Eric Clapton. Candid, hilarious, and endlessly fascinating,

Customer Reviews

Graydon Carter is the editor of Vanity Fair. Robert Risko, a Vanity Fair contributor, is one of the most renowned celebrity caricaturists working today.

I bought this as a coffee table book and it's a great conversation piece and looks great too!

Very very entertaining !!!

Interesting people with interesting answers to the questions. This book is easy to pick up and choose a page or person to read about. Good for a coffee table.

My friend and I loved reading these at school. So I knew this would be the perfect gift for her. And she LOVED it. Great bathroom or coffeetable read. Great artwork and very diverse group of people interviewed.

Highly recommend

Nice book, attractive and high quality. Enjoy the monthly questions asked in Vanity Fair so this book was a gift to myself. I doubt most people have asked themselves, or answered, the questions Proust made famous as parlor games. Some of the celebrity answers are insightful, some irreverent, some surprising.

I enjoyed this book very much. I always turn to the last page of VF to read the Proust interview before I read the magazine. This is a collection of same. Insightful in some cases, frivolous in others..all are cool!

Great book to just sit down and glance at! Great coffee table book too! I have given it to friends for birthdays! Wonderful, fun gift.....a bit different. Books came in good order and on time!
