He-Man/Thundercats

Synopsis

It's the team-up fans have been waiting three decades to see! Full of the most beloved heroes and hated villains from both classic action franchises, HE-MAN/THUNDERCATS is an astonishing adventure from He-Man's head writer and producers Rob David and Lloyd Goldfine (TMNT: Turtles Forever), stunningly illustrated by Freddie E. Williams II (BATMAN/TEENAGE MUTANT NINJA TURTLES)! It's called Eternia—the homeworld of He-Man and the Masters of the Universe. Here, this legendary hero harnesses the Power of Grayskull to protect his planet against the evil forces of Skeletor, the skull-faced embodiment of evil. But dimensions away, another evil has set its sights on Eternia's champion. The menace of Mumm-Ra is spreading, even as his hated rival, Lion-O, is crowned king of the Thundercats. Mumm-Ra knows only one weapon can stand against Lion-O's unstoppable Sword of Omens: He-Man's Sword of Power. And he and his merciless minions are prepared to take it by any means necessary. Now the heroes and villains of two of the greatest adventure sagas ever will join forces in a war for the fate of two worlds. Can He-Man and Lion-O, the Masters and the ThunderCats, put aside their differences and stop the combined power of Skeletor and Mumm-Ra? Or will these two champions of all that is good be forced to clash swords themselves? Collects HE-MAN/THUNDERCATS #1-6.

Rob David was the head writer and Lead Creative at Mattel's story and entertainment

department Playground Productions who teamed up with television writer Loyd Goldfine (Teenage Mutant Ninja Turtles, Turtles Forever), to masterfully write HE-MAN AND THE MASTERS OF THE UNIVERSE, and then joined forces once again for the HE-MAN/THUNDERCATS crossover.

Outstanding story! They included almost every aspect of each respective series' mythology. The artwork was rich and dense. This was no rush job or attempt to pocket some loot off of the now nearly middle-aged children of the 80's. Between this and Eternity War, I've been really happy with what they've done with He-Man recently. Only thing I felt a little off, and this shows my bias, was that they did make the Thundercats appear slightly more bada-\$ and capable.

was hoping it would be a little more graphic and rated R, but they only pushed the envelope a wee bit - not much at all, actually. still, the art was great and the storyline was kinda cool for fans of the cartoons.

Such an awesome crossover. My 12-year-old self would be doing backflips if he had this in the 80's.

Excellent merchandise

This is a nice series

Freddie Williams II artwork is stupendous!! Must have graphic novel!!!

I love thundercats and he man this team up was awsome hope they team up again soon in the future

I was/am a fan of both TV series and have been following the new MOTU comic book series, so I was excited to see them combined. The story is very good and I enjoyed the artwork. There's lots of playful banter between the heroes and the bad guys are trying to out-evil each other. Some of the scenes were a little cheesy...particularly those featuring Skeletor and Mumm-Ra. I would have liked to see She-Ra included but with all the other characters, that could have pushed it over the top. Overall, this was a fun series. I'd like to see more books like this.
