Customer Reviews

I buy these scores strictly as an amateur. I can't even read music very well. But I find them invaluable in trying to work through the structure of music that I love. So for that purpose, this is perfect. I seriously doubt these scores would be of use for any purpose other than private study, but for that they are perfect.

Just what we wanted

I am studying Rimsky-Korsakov's Instrumentation Book. This famous composition will be helpful to understand how he uses instruments for coloring, balance, and expression.

Very nice score, like all Dover scores. The spelling of Nicolai, spelt Nicolay here is a little awkward.

No issues. Clean, clear print, exactly what I ordered. I'll definitely buy from Dover again, as their prices can not be beat for orchestral scores.

My daughter enjoyed it!

Exactly as described. Fast shipping. Thanks!

Good edition.
