The Berenstain Bears are celebrating their 50th Anniversary in 2012. Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, *The Big Honey Hunt*, appeared in 1962. Since then, more than 340 Berenstain Bears books have been published, and more than 260 million copies have been sold. What began as an idea sparked by their young sons' love of reading has become over the years arguably the best-selling children's book series ever. Since their inception, the Berenstain Bears stories have expanded to include picture books, beginning readers, and chapter books--even a hit TV show on PBS. Writing and illustrating the books has become a Berenstain family affair. Mike joined with his parents as a creative team in the late 1980s. The Bear family has expanded over the years as well. Sister Bear arrived in 1974, and baby Honey joined the

family in 2000. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Berenstain Bear adventures from his studio in Pennsylvania. berenstainbears.com

My grandchildren love it...

Great story. My son loves it.

Our family loves this series. Our parents read to me as a child and now I enjoy reading it to my own children.

My daughter absolutely loved this book. I loved the way they met a challenge so many parents meet

Such a cute book. Always a fan of the bears lol

Perfect book to go with our little Tooth Fairy set up time. Love it!

Cute book. Beware of an expectation from the child of how much money is left by the "tooth fairy" as they do talk about an amount in the book.

Really cute book for children with wiggly teeth.
