## Customer Reviews

I'm a teacher who loves original music for my students at Christmas. This book is really excellent. Cindy Berry writes well for the late intermediate student. Beautiful arrangements.

I love these arrangements! I have found anything by Cindy Berry to be different, classy and playable. If you play piano for church services, these make wonderful preludes, offertories or postludes. Not too difficult but not quite sight readable for me (some passages are a little tricky and need some practice).

This collection is a very nice choice for people who want to just play through Christmas music without having to practice. I really like Cindy Berry arrangements.

Beautiful songs!
