Customer Reviews

My chief complaint about how to drawing books is the lack of drawings demonstrating how to do it. This book offers many easy to follow drawings plus simple explanations. By following the examples, I was able to draw several expressive faces.

Includes helpful hints on how to draw anime facial emotions, which is very important to get right!

GREAT BOOK, JUST WISH IT HAD MORE MATERIAL....

This is a gift, I will not know if he will like it until after Christmas. It looks like a good book.

Not worth the buy
