Customer Reviews

My 3 boys absolutely love this book!!! My recommendation would be to buy the book and order the 1000 count individual color bags from perler. The ore patterns use a lot of grey and dark grey.

My kids and I enjoy building all of these designs. Some of them require the large square boards (29 by 29 pins) to complete.

My 3 boys have loved making beads with this pattern book because they play Minecraft. Their only

complaint is the patterns require many different bead colors we couldn't find, like 3 shades of gray and 4 or 5 different greens.

My 5-year-old loves this book. Many of the patterns and the layout of the book are very friendly for young ones to do on their own.

Very detailed book, my step son loves minecraft and I got him hook on perler beads.

lots of great ideas

Grandkids Love It!
