Customer Reviews

We have a friend who operated a B & B in Sandpoint, Idaho. There were two rooms that they would rent out....one was calle the "Alaska Room", the other the "Texas Room". We often stayed in the Texas Room where she had several books displayed about Texas. I purchased this book for her because I thought it fit perfectly with the room's theme. She was so surprised when I gave it to her and then she surprised us by making several of the breakfast recipes for us during our stays there. The book was well written, great pictures, and easy to follow instructions. She said it was a perfect gift and I think so too!

The authors of this cookbook did a wonderful job of capturing the look and spirit of Texas. The recipes are as diverse and as interesting as our great state. This is a recipe collection that you'll

want to share with all your friends and family. Don't miss the recipe for "Artichoke and Spinach Queso" a wonderful Texas twist on a traditional appetizer.

This cookbook is very well organized, has great pictures, & makes you just want to rush to these wonderful Texas Bed and Breakfast & enjoy the delectable recipes. It features many of the Great Stays of Texas Bed and Breakfasts recipes, and lists new time-saving variations of age-old recipes. It also gives interesting information about the inns and innkeepers.
