# Hoosier Cookbook

## **Synopsis**

Praise for "The Hoosier Cookbook": "...an extensive compilation of the very best of Indiana cookery...The recipes printed here are often the first printing of secret ingredients that have been passed down from generation to generation by word of mouth or on tattered scraps of worn paper."

- "Indianapolis Home and Garden". "It is a cookbook to use, not just to own. But, even if you care nothing about cooking, the final chapter on Old-Time 'Receipts' is worth perusal just for the fun of it."
- "Herald-Telephone" (Bloomington). --This text refers to an out of print or unavailable edition of this title.

## **Book Information**

Hardcover: 320 pages

Publisher: Indiana University Press (October 1976)

Best Sellers Rank: #789,930 in Books (See Top 100 in Books) #125 in Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > Midwest

## **Customer Reviews**

I love this cook book I have been looking for it for a long at a price I could afford and I found it. It was in really good condition also.

Not only does this contain great "Hoosier" recipes, it is beautifully illustrated by an artist named Jackie Lacy. The cover is so pretty I keep it displayed in my kitchen. This edition is out of print and I have bought several copies online and given them as (much loved) gifts.

This is a very good cookbook. This is a replacement for one that i had years ago. Love this cookbook. Good recipes.

I got this for my wife as he has many old recipes from her family that have been passed down over the years.

I had her second Hoosier cookbook and was very happy to get the first one she printed. It was in very good condition.

This is a truely well compiled cookbook with some fantastic recipes from the Hoosier state!! We reccomend it highly to anyone who has a culinary intrest!

I made the Blueberry Pie recipe and was disappointed. The recipe is over-loaded with sugar and the author seemed to have no regard for good health. After all this work it didn't taste that good. I could have saved myself by eating a cup of sugar topped with a few blueberries. I am ashamed to serve it to anyone else. If this is an example of the remaining recipes I'm not interested. If you don't care bout your health or weight you might like it. Me...I'll take the calories when it's worth it; this was not.
