Our 9 month old daughter LOVES this book, and I think it's cute and fun to read which is always a bonus. She fell in love with it immediately and although we've only had it a week now, she still grabs for this book several times each day. The touchy feely parts are such a fun and unique part; she loves scratching at them and rubbing her face on them. She's always loved turning pages and these are chunky enough for her to grab so she's gotten better at turning the pages herself. We love it so much I'm planning on giving it as a gift for a couple upcoming 1 year olds' birthdays in the near future.

My son loves this book. Each monster has a different textured piece of rubber. He loves having it

read to him and constantly reaches out to feel each monster.

such a cute book with great textures. my son loves the last page!

My 7 month olds favorite book! Fantastic textures and cute rhymes. The best touch and feel book I have ever purchased.

My daughter loves this book! She enjoyed it so much, we bought more as gifts for her fiends. I suggest the book for children 6months -18 months.

My 3 month old loves this book! It is one of his favorite things to play with! I wish there were more like this one.

Cute story you can read to your little one while they touch the different plastic textures on each page. Very colorful and fun. We read it over and over both in lap and tummy time.

My baby girl loves this book!
