# Animal Touch (Animals And Their Senses)

## Synopsis

In this series beginning readers discover the interesting ways that animals use their senses. Each book focuses on one of the five senses and describes how a variety of animals--from large mammals to tiny insects--use that sense. --This text refers to the Library Binding edition.

## Customer Reviews

super boring. I bought it for my class because ReadWorks.org has a lesson plan to go along with it for first grade but ugh....no one was interested.
