The Knight's Treasure

Synopsis

He cannot love her. He should not want her. He knows better than to take her. Somehow, he is foolish enough to do all three. Sir Geoffrey is a fierce warrior, newly knighted by the King. He is sent to collect a woman of God. But he doesn't expect her to be the loveliest woman he has ever seen. Lady Isabel is hiding from the world, from those who would hurt her. But she is unprepared for the gruff warrior who makes her long for things she knows she cannot have. Geoffrey refuses to give into their mutual attraction, treating her with cool disdain. He fights his desire for her with everything he has, but this is one battle he won't win. The Lady Isabel is in danger, more than either of them can fathom. When Geoffrey finally takes her innocence, neither one of them can stop themselves. But giving in puts them both in harm's way. But there is no stopping fate or love.

Customer Reviews

Fast. Sweet and possessive. Really enjoyed this one. It was fast but still a good story with likeable characters. I liked that the Knight wasn't a complete jerk. He fell head over heels pretty quickly and

was smitten. And she was pretty sweet. Happy ending. Nice cover too.

I really liked this short book. It was romantic, suspenseful, fast paced. Isobel and Geoffrey were instantly attracted to each other, and though at first both fought their attraction, fell in love.

A nice historical themed romance from Calyope Adams! Sometimes you need a Knight in your life to shake things up! A well written book with a nice flow and good character development! If you are a fan of historical romances, you should pick this up! ***I voluntarily read and reviewed this as an ARC***

What a great historical romance book. I was so hooked that I was up late reading last night. It was amazing.

The Knights Treasure By Calyope Adams is a enjoyable read. Short and sweet it is the story Of Isabel, a nun and Geoffrey, the knight sent to collect her for the King. A book that focuses on the temptation for one another and the danger that surrounds Isabel. A very good read. I voluntarily reviewed an ARC copy of this book.

Two people who don't want to fall for each other but can't help themselves! It's very sweet and sexy. Love everything by this author!

Loved this book! It's short and sweet! It was the perfect book to read while I was sick!!

This is a small book. But it packed a punch. I wish it was a little longer. Isabel and Geoffrey had alot in common, And it was almost love at first.
