This anger does not come from outside but it is a product of how I process my thoughts and

emotions. They go hand in hand. You think what you feel and you feel what you think. Such realization tends to offer me a new way of looking at the circumstances that my life brings. As I understood, Stoicism means to live life in the harmony with nature. Stoicism includes Pantheism, Adiaphora, Rational control over passion, etc. Ethics, logic, and physics are the main parts of stoic education. Stoicism means endurance, tolerance and even acceptance which everyone should have because this is how life should be. Overall, I learned lot of important aspects of stoicism and how can it develop our entire life.

Very good guide in Stoicism for beginners. I found out a lot of new information. This philosophy was founded by Zeno of Citium. As I understood, Stoicism means to live life in the harmony with nature. Stoicism includes Pantheism, Adiaphora, Rational control over passion, etc. Ethics, logic, and physics are the main parts of stoic education. This book also introduces modern tenets based on Stoicism, there are 14 tenets. All in all, this book is informative and full of information.
