Where Does Rain, Snow, Sleet And Hail Come From? | 2nd Grade Science Edition Vol 2

Synopsis

If everything that goes up must come down then does that mean that the snow, hail, rain and sleet also come from the ground? Let's take a look into the weather cycles and try to understand where these showers originate. The cool thing about learning through this book is that it combines pictures and powerful texts, too! Grab a copy today!
