The Fans Have Their Say #2 AC/DC : : Rock 'n' Roll From The Land Down Under

Synopsis

From the 1970s in Australia to worldwide superstardom in the 1980s and 1990s, AC/DC have always been a rock band to be reckoned with. A marketing machine beyond compare with a musical back catalogue to back it up, they have had more album sales and hits than most rock bands EVER! Black in Black is the greatest selling rock album of all time and the only album to have sold more is Michael Jackson's Thriller, which is quite a feat for what was originally a little band from the land down under. From Bon Scott to Brian Johnson to Axl Rose, there has always been a constant in Angus Young, the diminutive school boy uniform clad rock god has lead the band through many changes brothers have come and gone, drummers have come and gone and at times returned, but Angus is still there, cranking out the tunes on his Gibson SG. So come with us on a journey with the fans, the people that count and find out how AC/DC have affected their lives. ALSO AVAILABLE THE FANS HAVE THEIR SAY #1 KISS: WE WANTED THE BEST AND WE GOT THE BEST
