Syria And Jordan Adventures (Silk Road Series Book 3)

Synopsis

Travels through Syria and Jordan: a satisfying and inspiring experience Top 40 in Travel Bestseller Recently revised Written at a time when it was possible to safely travel in Syria this is the story of a couple's travels through the Middle East, including visiting the oldest city in the world, Damascus and the desert city of Palmyra; in Jordan, incomparable Petra, the port city of Aqaba and Wadi Rum. In this travel book on Kindle you will discover: what it feels like to wander the spice markets of Damascus and Aleppo where trading has changed little in the last thousand years; the secrets of Queen Zenobia who built a desert city of Palmyra said to once rival Rome in opulence and find out how she fell from grace; how it feels to view the splendour of the hand-hewn pink sandstone rock face of the Treasury in Petra that dates from the time of Christ. This is not a guidebook. It is part of a series of travelogues set along the Silk Road. It is a record of the places, the people, the challenges and the wonder of so many "ohhh" moments. This short eBook will be enjoyed by past visitors, armchair and would-be travellers. Enjoy reading Syria and Jordan Adventures.--@@@--

Customer Reviews

The authors did some once-in-a-lifetime traveling when writing this book. I envy them their life, but I hope they got more out of the journey than I did. The book is a straight narrative of what they did and saw. But I expected to share the journey with them somehow, and all I got was a flat narrative, not a sense of place. If they saw a "lovely view," I wanted a vivid word picture. If the street was "crowded," I wanted more of the sensations, smells, sights, textures. In fact, the writing, while very competent, had no texture and that sums up my disappointment.
