Summer Alone (The Summer Series Book 1)

Synopsis

From the best selling author of Summer Unplugged, comes a new series set in the same world. Becca's senior year of high school is approaching and she's tired of being the dorky best friend. Determined to reinvent herself with help from Bayleigh, she plans to spend the summer breaking out of her shell. When Bayleigh gets grounded and sent away for three months, Becca's plans come crashing down before they've even started. Now Becca is alone and can't even talk to Bayleigh on the phone. Not wanting to miss out on the summer before senior year, she takes a job at the local indoor BMX track. The job is fun, her boss is laid back, and the place is packed with hot guys. One of them just might have a crush on her. This may be a summer without her best friend, but it doesn't mean she'll have to spend the summer alone. Part 1 of a 4 part novella series.

Customer Reviews

It was a cute book but I wouldn't exactly call it a book. It was super short, but it still had a cute ending and I liked it.

I love this series it's definitely a young adult book. But I like the way Amy writes her story and there quick reads. Becca and Braeden are very cute together!

Wonderful read. A lovely light read, impossible to put down.

It was a very interesting book

Need more.

Easy enjoyable read!
