"This book is a fabulous resource that helps both beginning and experienced teachers examine themselves and reflect on their own teaching practices."--Michelle Barnea

"This book is a fabulous resource that helps both beginning and experienced teachers examine themselves and reflect on their own teaching practices." (Michelle Barnea)

I had to get this book for a college education class and discovered we never had to really read it, so I read it in my spare time so it wasn't a waste of money. This book just dragged on and on and didn't enlighten me on "being a teacher" at all. Don't bother buying this.
