Beaches, Buoys, Boats, And You!: A Cape, Coastal Companion Coloring Book

Synopsis

Beaches, Buoys, Boats and You! is a collection of fifteen images of Cape Cod and Cape Ann in Massachusetts by photographer Gail Fischer, converted to line drawings for coloring. In addition to the line drawings surrounding empty space, these pages incorporate grayscale in the background areas to add shading and depth to the final image. Coloring a shaded area is easy-just add dark colors. Originally shot in color, you have the chance to return these images to their original glory, enhanced and improved, as only hand coloring can.
