Grand European Tours - Tour 3 – Liverpool (Beatles Theme), Oslo, Prague, Budapest & Glasgow

Synopsis

A travel book with a difference which gives a well planned 13 day multi location "Grand Tour" discovering the distinctly different cities of Oslo, Prague, Budapest, Glasgow & Liverpool; all the while soaking up the atmosphere of these interesting cities with their beautiful architecture, colourful folklore, customs and heritage. This illustrated ebook gives directions, maps, info & travel tips. Have you ever fancied going on a "Grand Tour" like the early aristocrats, staying in multiple locations, but thought it too hard to organise? Are you looking for a new kind of travel/guide book? Perhaps one which gives: - A well planned multiple location tour taking in the sights of the five beautiful and distinctly different cities of Oslo (with its Viking longboats), Prague (with the lovely Charles Bridge), Budapest (with its magnificent Parliament Building and relaxing spas), Glasgow (with its Peoples Palace) and Liverpool (visiting the Beatles old haunts). - Detailed information on how to organise your own Grand Tour (travel, accommodation, visitor attractions, location history and information, etc.) - Tips on how to keep costs down whilst away and website addresses to visit to obtain best value for money deals, promotions and discount vouchers. - Tour destinations and attractions which are a little different to those normally on offer, some of which are "off the beaten track" and are not covered in other guides - Gives daily itinerary, as to maximise the time spent in each location which you can follow, or tailor to suit yourself - Has maps, pictures and information on locations and attractions (including address, opening times, web address, how to get there, history &/or other pertinent information) - All the information required in one book rather than having to purchase and carry, several city /town different guides whilst on your Grand Tour - Is suitable for all age groups and nationalities (particularly long haul visitors wishing to see as much of Europe as they can in a limited timescale, but not wanting to join a group arranged tour). - Armchair traveller information and website addresses to enable them to "virtually" undertake the tour and visit attractions on line, if they cannot visit them in person. If so ... this could be the book for you!
