Stellare: Learning Italian With Cultural Stars

Synopsis

An introduction to Italian for art lovers, this book offers language lessons in the form of fun cultural experiences, including a recipe by the great Lidia Bastianich, the classic photography of Gianni Berengo Gardin and Letizia Battaglia, films by Nanni Moretti and Fred Kuwornu, a moving song by Gianmaria Testa, and paintings from the National Gallery of Art in Washington, D.C. Whether as a self-study guide for travelers, or as a supplement to a college grammar text book, this volume's engaging cultural journey presents a path to lasting comprehension. All profits from this book are assigned to the organization, EMERGENCY USA, to fund medical care for refugees in Sicily. More information is available on the book's website:
