Carter and Laylah have to overcome their history in order to get their happy ending. Well, Carter has to overcome it; Laylah has to remember it. The set includes their two-part story, Carter's letters to

Laylah from jail, and a short about the best friends, Jeanette and Saint. That could easily have been expanded. Altogether a good read. There's some eye-rolling at women running headlong into danger, but nothing too egregious.

Awesome series! This author is exceptional. I have enjoyed all her books so far...some more than others, but they are all well written!

I love a man who knows what he wants, and this series has two!! Carter and Layla's story was that sweet and sexy blend of over-the-top alpha man obsessed with his woman that Alexa Riley has absolutely perfected. Saint and Jeanette's story had a bit of a spin in that she was a more skittish heroine who just needed a big, powerful and protective bad boy who knew exactly what his woman needed and was man enough to give it to her. Loved these two stories!

Can I have the FULL story of Jeanette and Saint!! PLEASE!!! I loved his nickname for her and how he was head over hills...this book is my favorite! I really love the possession, the exotic dark romance, the violence it all blended well for me it was straight forward action after action without overdoing the drawn out symantec of past life. To the author, more than five stars is deserved.

I loved this story. Strong, smart alpha hero totally in love with sassy, smart heroine. The story pulls you right in, keeps you there, and the happily ever after is always there. As a bonus, you get the best-friend side characters that you love as much as the hero and heroine. I love Alexa Riley stories!! They always say they are over the top, but I love that about them.

It was a fantastic story.

Oh My God! This Series was beyond Epic! Everything about it hit ALL the right notes! Saint and Cherry were brilliant. Their love was intense and explosive. The heat they ignited almost burned the pages. After spending 8 yrs in prison for protecting the woman he loves Saint is more than ready to claim what's his even if she doesn't know it. Layla aka Cherry is still feeling the sting of Saints rejection even though she can't get him off her mind. When he finally decides to show back up and throw her life upside down all hell breaks loose. With Saint now back in her life the dangers she's been running from are back to haunt her. To stay safe she must submit to Saint in every way. This book was fast paced sexy and thrilling with a ridiculously filthy mouthed alpha male it could not have

been better. And the ending was perfect it gave such an in depth look into their lives once the mayhem ended. I can't wait to read the next set of stories in this series.

Amazing book. Great story, hot scenes, and the best part...just when you think the book is finished she gives you more. One of the few books I've read that hasn't left me with questions.
