This Bible had the "comic" part of the action bible that my daughter loves, but was grown up enough that she can use it for years to come. The purple cover was very expensive looking, and I think it will be durable. Again, she likes it yet it is not so juvenile that she will not be able to use it as a young

adult. It had all of the aspects of a study bible as well that I would like for her to have as she grows in her relationship with Christ.

This Bible is a very pretty shade of lavender, perfect for a young lady. I ordered one for each of my daughters and gray ones for my boys. We got these to accompany the Action Bibles we got for our kids' devotions. I love the size - they are not too big or heavy, so the kids don't mind carrying them to church (we walk). And the illustrations are beautiful and eye-catching. I would definitely recommend these Bibles for young people.

This Bible is really great. I bought this Bible for my 8 year old daughter's birthday. She is at the point where she is starting to want a little more than the surface level Bible stories. Each chapter has a great overview and there are thought provoking questions/historical information throughout the chapters. I like the addition of the comic strip style synopsis' in the Bible. There are great maps and reference guides in the back.

I bought my daughter this Bible for Christmas. She loves all the colorful pictures and her big girl Bible.

Daughter loves it

My daughter loves this Bible! It has fun pictures and more fun facts in each chapter to help her understand what she is reading.

I like it. A comprehensive Study Bible. Easy to understand and the quality is good.
