Enjoyed the patterns. Will be utilized. Looking forward to giving skinnies as seasonal gifts to friends and relatives this year.

I love the cute designs in this book! Simple, bright, easy to make. The instructions are clear and straightforward. I've already made two of them - made both tops in a few hours on a Saturday

afternoon. The designs are intended for fusing/machine applique, so the hardest part is digging through your stash for best colors! And all 10 designs are the same size, so they'll be easily interchangeable on your 14" quilt hangar. I highly recommend for all skill levels!

This paperback is Filled With Lots of Colored Pictures and Very Clear Instructions. It Also Comes With Full Size Pull Out Patterns. This Will Be A Fun Book To Enjoy Sewing For Gifts and Home Decoration.

I love this book! I have made every one of the Skinnies in the book, and the Birdhouse Skinnie & the Hens & Chick Skinnie I've made twice! I would give it 10 stars!

This is a great quilt book. So many good points and tips and patterns!! Love it!

Love this book. Looking forward to start working on projects. All are great!

Great book. I love these small wall hangings.

I love this book! I've already made 4 projects from it, and have found both the instructions and the patterns to work perfectly. Best of all, the pattern pieces are already reversed for applique, so that's a huge time-saver. There are extra tips included, and ideas for embellishments if you want to take it a step further. The pumpkin banner is hanging on my door right now, and not only have neighbors commented on it but I've had strangers knock on my door and ask me where I got it because they like it so much.
