This wasn't what I expected. I thought "The Big Book of Ninja Turtles" would include some back story about how the turtles ended up as ninjas. Nope. Many of the pages were exact duplicates of "Enter the Lair". This book does go over more of the villains in detail. I really wish we had gotten this one first instead. If you are looking for something to introduce your little one to the history of the TMNT get "The Green Team" instead (even if he or she isn't reading). It was exactly what I wanted and wasn't too long for me to read to my 4 year old.

Good storybook for my 6 year old grandson

The book was a good read for my nephew who is a big fan of ninja turtles. I liked the fact that it contained pictures and information of some of the characters.

OMG! My son loves this book! It's definitely his fave and has taught him soooo much more about his

favorite show.

Nephew liked the book but he likes anything TMNT

My Grandson loved it

My grandson has this book read to him every night. A great book!

Great book with tons of fun character facts that my 3 year old loves!
