# Spiritual Slavery To Spiritual Sonship: Your Destiny Awaits You

## Synopsis

Take the voyage of a lifetime...for a lifetime! As the young, hard-nosed, newly-appointed captain of a commercial fishing boat, Jack Frost returned the first week as "Top Hook"--he had out-fished all the others. But he also harpooned his mentor's heart on the way to the top. Captain Frost's exciting and dangerous adventures take you from Cape Horn to Antarctica to the shores of North Carolina and Poland as he describes his journey from a sinking ship of slavery to his maiden voyage of sonship. Learn how to throw your "orphan" attitude overboard and anchor your heart in God's inheritance of blessings and prosperity. Identify the counterfeit sources of comfort and affection in your life: \* Passions & Possessions \* Position & Performance \* People & Places \* Power Christen and launch your life's ship alongside the One who can calm every storm--every time.

## Customer Reviews

Jack and Trisha Frost have experienced great success in the pastoral ministry for many years, but have also experienced burnout, depression and marital and family problems as well. In 1995, God revealed a depth of His love that completely changed the way Jack functioned in both his family and in his ministry. This hard-nosed commercial fishing boat captain became a warm, tender-hearted father and husband. He and Trisha founded Shiloh Place Ministries with a vision to see the world experience the Father's healing love through the hearts of its leaders.

Jack Frost was instrumental in changing my life through his book SPIRITUAL SLAVERY TO

"SPIRITUAL SONSHIP" by helping God heal my orphan heart. This book and Shiloh Place Ministries has had and continually has a major impacted on my life, my ministry, my preaching, my teaching, and my relationship with the Father. I have always believed that our lineage as a world is traceable back to Adam and Eve and that we are sons and daughters of God the Father. We need to know who we are in God the Father's eyes. "SPIRITUAL SLAVERY TO SPIRITUAL SONSHIP" changed my image of God and the image of myself. I now knew that He was my Father and that I was His son in whom He is well pleased. My ministry is to lead people to intimacy with the Fathering heart of God through His love. I now see more clearly that our mission is all encompassing of all people on this earth because God so loved the world...not Americans, not Jews, not Christians, but everyone. Let me state that more emphatically--EVERYONE. We all need to be lovers of the Father. Instead of talking about doctrine, dogma, morality, politics, etc., let's instead talk about the Father's love and becoming the sons and daughters of God the Father we were created to be. I highly recommend this book "SPIRITUAL SLAVERY TO SPIRITUAL SONSHIP" to begin your journey to wholeness and to discover your true identity. Bruce Brodowski Author of: My Father, My Son, Healing the Orphan Heart with the Father's Love President Carolinas Ecumenical Healing Ministries Minister, missionary, author, publisher, speaker

I highly recommend this book to anyone who feels that their Christian walk with God has become dull, hard and not feeling the blessings of a life with Christ. Jack Frost speaks from his own life and struggles and how he transforms from a life of slavery to a life of true sonship with God. He is a great story teller and writer and you will thoroughly enjoy this book. I breezed through it the first time taking in all the great information and read through it all a second time to meditate on and take in the great life changing truths he shares.

This book rocked my world. It shifted me from wrong thinking to correct thinking.

I've heard people say that books are important. This book is important. For me personally, it opened my heart to a whole new way of looking at our heavenly Father, and more importantly, how to build the kind of relationship He wants with Him. I suspect it is also an important book for others in learning to become true sons of God as well. It's a real heart-opener. Also quite well written and very accessible to read.

The concepts in this book are fantastic. Jack Frost shares from his heart his personal struggle with

the orphan spirit that grips us all from time to time. My only concern is his use of "sonship" when a gender inclusive "spirit of adoption" would include all of God's children. Over all I found it very helpful.

The late Jack Frost spent much of his life working as a licensed commercial fishing boat captain. While he was tough, skilled, and ventured to some of the roughest and most hostile environments on earth, he was not very good at receiving love from his Heavenly Father. He did not know how to be a son and was hemmed in by 'orphan thinking.' Through some powerful interactions with the Holy Spirit and Father God, he learned to replace his old way of thinking with a new one and began to live life with the understating of his inheritance and sonship through Christ Jesus. In SPIRITUAL SLAVERY TO SPIRITUAL SONSHIP, his last book, Jack Frost spends some time exploring his past, but much more of the writing is devoted to helping the reader realize the true nature of God's heart for them and throw off chains of striving and strife. That's why I believe this to be Frost's best book; the emphasis is less autobiographical and more prescriptive, and it includes an authoritative use of scripture to back up everything he says. Ultimately the only failing of the book is in its repetitiveness. Many of the main points are presented over and over again, which might be good for someone new to the topic of sonship, but if you've already read a few books by Frost, don't be afraid to skip ahead. An excellent read for virtually any Christian, this book will have an impact on how you view yourself, God, and your relationship to Him. It will challenge you to throw off old and broken ways of thinking and being and embrace the fullness of God's love and care for you. Highly recommended.

This book was revelatory to me as I had held resentment all my life against God for allowing my father to walk through very difficult times in spite of his strong faith. God showed me that He protected him from something more debilitating, an orphan heart. My father had every "right" to have an orphan heart but walked in sonship instead. That grace will have a greater impact on generations than any hardship he had to endure. I'm so grateful for Jack's book - we buy multiple copies and pass them out to others as we are led.

I thank My Heavenly Father for guiding me to this book, it has been a real help in healing my life and bringing it to a whole new place in Christ, so i know how to truly function in Him. I totally recommend this book for everyone, lives will not be the same. God is truly a loving Father. Much thanks to Mr. Jack Frost too, for sharing his life.
