Learn French Words

Synopsis

Our Learn French Words Audio CDs concentrate on teaching you 1000 words of French vocabulary, with around 80 French phrases to help you put these newly learnt French words together. The CD uses native French Speakers to help you learn with the native accent. The Audio method of learning is designed to aid learning and cut out the barriers of cost, difficulty and time when it comes to learning the French language. However you also have the option of using the booklet as an aid for both spelling and pronunciation. We appreciate that learning the French Language can be difficult, and maintaining motivation or even getting started is never an easy task. With this in mind, Learn French Words has been produced to get you well on your way and join the many other French Learners in learning the French Language. Learn French Words is intended to get you started, aiding you in your desire to learn the French language. To aid the French learning we have broken the vocabulary down into relevant groups of words that can be learnt day by day. There is a slim line booklet that comes with it - slim enough to arrive in your DVD case, so it can easily fit into your jacket pocket, and you can learn French on your daily commute. The French language Audiobook is designed to be a French learning tool capable of being audio only but supported by a French dictionary to ensure correct spellings and correct pronunciation. Chapters include numbers, colours, days, months, adjectives, and verbs. The varying French learning chapters cover the essentials that are required when learning the French language and will give you a great base and a good understanding. Whether learning French for a holiday, business, pleasure, or to help further your career, our French learning CD is intended to be the first step on the French language learning path, to help get you started. Start now and begin your French learning the easy way by joining other French learners with this excellent French Audiobook.
